Meet Feather!

My name is **Feather Proctor**, and I am the marketing coordinator for **Phillips & Lyon**. I love my position because it is always changing and allows me to be creative! I help create and update the *Yellow Pages* ads, bus ads, billboard ads, commercials, Web site, this newsletter, etc. I am directly involved in the production process of our commercials; it is fun to see what happens "behind the scenes"! I also enjoy working on our Web site and Internet marketing. It is exciting to learn the details of what the Internet has to offer.

I have worked for Phillips & Lyon for five years and have had a few different job descriptions! I started as a legal assistant and then transferred to the Serious Injury Group, which handles the firm's larger cases. About 18 months ago, I became the marketing coordinator, which is my favorite position at the firm.

When I am not working, I am busy playing with my two boys, who are two years old and nine months old. My husband and I enjoy taking the boys camping, to the beach (our favorite), or on a simple trip to the mall playground. I also enjoy scrapbooking, going to the movies, the Improv, and swimming.
